DATE: JULY 31, 2025

The Griffin Downtown Development Authority is seeking proposals from qualified developers, investors, and teams that will help us reimagine the former Heck Chapel and surrounding E. Broad Street environment in Griffin, Georgia (See map insert for location of property).

With the development of the Courtyard by Marriott on the front of the Historic City Hall (HCH) property, we have the opportunity to partner with a first-class development team to come up with a quality project that will accentuate the architectural aesthetics of the area and add to the positive quality of life for Griffin residents.

We welcome strong proposals to help us consider the possibilities to help transform the E. Broad Street area.
